Libraries: Pandas, Numpy, Matplotlib, Seaborn

Analytics: Tableau

Tools: Git, Github, Jupyter, VSCode, Figma, Postman API, Linux

Others: Robotic Process Automation, EC2 (AWS), Azure

EDUCATION

Manav Rachna International Institute of Research & Studies

Bachelor of Technology in Computer Science CGPA : 8.89

Delhi NCR, India

2022 - 2026

WORK EXPERIENCE

FULL STACK DEVELOPER INTERN

MRIF

Jun – Jul 2024

- Designed and implemented multiple projects using the MERN Stack.
- Gained hands-on experience in full-stack development, including front-end and back-end technologies.
- Collaborated with team members to integrate new features and improve existing functionalities.
- Participated in training sessions to enhance skills in modern web development practices.

FREELANCE EXPERIENCE

WEB DEVELOPER

COLLEGE FEST WEBSITE

- Designed and developed a website for the **Design Ignite** fest using HTML, CSS, JavaScript, and Bootstrap.
- Implemented features such as event schedules, registration forms, and an interactive map of the venue.
- Collaborated with the event management team to gather requirements and iterate on design.

PERSONALITY & BEHAVIOUR DEVELOPMENT QUIZ

- Created an interactive quiz application to assess personality and behavior traits of employees.
- Implemented a robust back-end with Django to handle user authentication, quiz management, and result analysis.
- Created a user-friendly front-end interface with HTML, CSS, and JavaScript to ensure seamless user interaction.

PROJECTS

Full Stack Book Store Website

- Developed a full-stack BookStore website with React, Node.js, Express, and MongoDB.
- Implemented user authentication, product management, payment integration with Cashfree, and responsive design.
- Created dashboard for users and administrators.

Minor Projects

- Image Compressor, QR Code Generator
- Cancer Prediction Model

Analytics

- Created many dashboards in tableau for analytics, worked on real time datasets

ACCOMPLISHMENTS

- Runner Up in 'Hack – a – bot' RPA hackathon organized by UiPath.

VOLUNTEERING

- Finance Head and Backend Lead in the university full stack developer community
- Hosted many events in college as a Core Member in the Student Council.
